REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Board of Directors of the
Foundation for a Just Society, Inc.:

Report on the financial statements

We have audited the accompanying consolidated financial statements of Foundation for a Just Society, Inc. and Subsidiary (collectively, the “Foundation”), which comprise the consolidated statements of financial position as of December 31, 2016 and 2015, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management’s responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Foundation’s preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the Foundation as of December 31, 2016 and 2015, and the change in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Supplementary information

Our audits were conducted for the purpose of forming an opinion on the basic 2016 and 2015 consolidated financial statements of the Foundation as a whole. The consolidated schedules of functional expenses for the years ended December 31, 2016 and 2015 included on pages 16 and 17, respectively, are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures. These additional procedures included comparing and reconciling the information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

New York, New York

FOUNDATION FOR A JUST SOCIETY, INC.
Notes to Consolidated Financial Statements
December 31, 2016 and 2015

1. ORGANIZATION AND NATURE OF ACTIVITIES

Foundation for a Just Society, Inc. was formed to promote social justice and to engender the ethical treatment of and respect for all individuals. The Foundation awards grants to support organizations and programs that help people who are discriminated against, especially those who are facing violence, hardship or violations of their basic human rights.

During fiscal year 2013, Foundation for a Just Society, Inc. established a new entity, Hannah, LLC, (collectively, the “Foundation”) for purposes of taking title to a parcel of real estate and all betterments constructed thereon located in New York City, commonly known by the street address 25 E 22nd Street. The Foundation is the sole corporate member of Hannah, LLC.

Foundation for a Just Society, Inc. was established in 2010 and incorporated under the laws of the State of Delaware as a not-for-profit corporation. Foundation for a Just Society, Inc. and its subsidiary, Hannah, LLC, are exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (“Code”). As more fully described in Note 2, the Foundation is a private foundation within the meaning of §509(a) of the Code.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying consolidated financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“US GAAP”). All intercompany accounts and transactions have been eliminated in the preparation of the accompanying consolidated financial statements.

The net assets of the Foundation are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Foundation and changes therein are classified and reported as follows:

Unrestricted - Includes net assets that are not subject to donor-imposed stipulations.

Temporarily restricted - Includes net assets subject to donor-imposed stipulations that expire with the passage of time or can be fulfilled by actions of the Foundation, pursuant to those stipulations. The Foundation had no temporarily restricted net assets as of December 31, 2016 and 2015.

Permanently restricted - Includes net assets subject to donor-imposed stipulations that require the corpus to be maintained in perpetuity. The income derived from permanently restricted net assets is available for general or specific purposes, as stipulated by the respective donors. The Foundation had no permanently restricted net assets as of December 31, 2016 or 2015.

Contributions with donor stipulations that limit the use of the donated assets are reported as either temporarily restricted or permanently restricted net assets. Unconditional promises to give, with payments due in future years, are reported as either temporarily restricted or permanently restricted net assets unless expressly stipulated in the donor gift instrument that such amounts are intended to support current operations, in which case they are reported as part of unrestricted net assets. Expenses are reported as decreases in unrestricted net assets. Investment gains and losses, including unrealized appreciation (or

FOUNDATION FOR A JUST SOCIETY, INC.
Notes to Consolidated Financial Statements
December 31, 2016 and 2015

depreciation) in the fair value of investments, and dividends and interest are reported as increases (or decreases) in unrestricted net assets unless the use of the income received is limited by express donor-imposed stipulations.

Cash and Cash Equivalents

The Foundation considers cash and cash equivalents to include all cash and highly liquid investments with original maturities of three months or less from the date of purchase. Included in cash and cash equivalents as of December 31, 2016 and 2015, is \$171,000, each year, held pursuant to the Foundation's corporate credit card program with JPMorgan Chase Bank.

Contributions

Contributions, including unconditional promises to give, are reported as revenues in the period received or pledged. Contributions to be received after one year are discounted using an appropriate credit adjusted interest rate which articulates with the collection period of the respective pledge. Discount factors assigned to individual pledges are not subsequently revised. Amortization of the discount is recorded as additional contribution revenue in accordance with donor-imposed stipulations, if any.

Contributions of assets other than cash, including goods and services, are recorded at their estimated fair value at the date of contribution.

For the years ended December 31, 2016 and 2015, the Foundation's total monetary contributions were derived from one source.

Fixed Assets

Fixed assets consist of a building, related betterments thereto, equipment, and furniture and fixtures. Fixed assets with a unit cost in excess of \$2,500 are capitalized and depreciated on a straight-line basis over their estimated useful lives ranging from 3 to 39 years.

Investments

Investments are carried at fair value based on quoted market prices, except for certain investments, principally hedge funds and similar interests, for which quoted market prices are not available as of the reporting date. The estimated fair value of these investments is based on a reported net asset value (NAV) per share provided by the respective external investment manager each calendar year-end. The Foundation records investment transactions based on the trade date. The net change in unrealized appreciation (or depreciation) that results from market fluctuations is recognized in the period in which the change occurs. Interest and dividends are recognized in the period earned.

The Foundation regularly evaluates its investments including performance thereof. Due to inherent risks and potential volatility in investment valuations, the amounts reported on the accompanying consolidated financial statements can vary from year to year. Such differences could be material.

FOUNDATION FOR A JUST SOCIETY, INC.
Notes to Consolidated Financial Statements
December 31, 2016 and 2015

Grants Payable

Grant awards by the Foundation to recipients are recorded as an expense and a liability when approved by the Board of Directors and the respective grantee has been selected and notified. All grants are expected to be paid within one to three years of award. Rescinded grants are recorded as a reduction to grant expense. There were no grants rescinded or cancelled during the years ended December 31, 2016 and 2015.

Functional Allocation of Expenses

The costs of operating the Foundation have been reported among program and general and administrative expenses on the accompanying consolidated statements of activities. Program expenses include the costs associated with evaluating grants and monitoring existing grantees, including site visits. Program expense also includes strategic planning and board development activities and program related conference attendance. General and administrative expenses include administrative costs such as insurance, office supplies, postage and mailing, human resource services, tax, accounting and legal services, and similar expenses. Accordingly, certain costs have been allocated amongst the programs and general and administrative expenses based on principally time and effort.

Income Taxes

The Foundation is an organization exempt from federal income taxation under §501(c)(3) of the Code and is classified as a private foundation under §509(a). Nevertheless, the Foundation is subject to a federal excise tax of 2% on its net investment income under §4940(a) and to federal and state income tax on its unrelated business income taxable at regular corporate rates. Historically, the Foundation has not been subject to unrelated business income tax.

Section 4940(e) provides for a reduction of the federal excise tax to 1% if the Foundation makes sufficient qualifying distributions. Based on cash spending, the Foundation qualified for the reduced 1% tax for 2015 and 2% tax for 2016, and its projected current excise tax expense is approximately \$742,915.

The Foundation is required to record a deferred income tax provision based on cumulative unrealized gains on its investments. The deferred excise tax provision is calculated assuming a 2% excise tax rate and is based on projected gains that assume complete liquidation of all assets. The deferred federal excise tax liability at December 31, 2016 is \$1,113,583; the deferred federal excise tax liability at December 31, 2015 is \$607,697. The net change in the deferred excise tax liability for the year ended December 31, 2016 is \$505,886.

The Foundation follows guidance that clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. This guidance provides that the tax effects from an uncertain tax position can only be recognized in the financial statements if the position is “more-likely-than-not” to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged.

FOUNDATION FOR A JUST SOCIETY, INC.
Notes to Consolidated Financial Statements
December 31, 2016 and 2015

The Foundation has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; to determine its filing and tax obligations in jurisdictions for which it has nexus; and, to identify and evaluate other matters that may be considered tax positions. The Foundation has determined that it has no material uncertain tax positions in its consolidated financial statements.

Use of Estimates

The preparation of consolidated financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingencies at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Concentrations of Risk

Financial instruments which potentially subject the Foundation to concentrations of credit risk consist of cash and cash equivalents and non-exchange traded alternative investments, primarily hedge funds and similar interests. The Foundation maintains its cash and cash equivalents in various bank deposit accounts with high credit quality financial institutions that, at times, may exceed federally insured limits. The Foundation has not experienced, nor does it anticipate, any losses with respect to such accounts. The Foundation invests in certain non-exchange traded alternative investments and is therefore subject to concentrations of credit and market risks. Investment decisions and strategies are made and approved by the Board of Directors, in consultation with management and independent investment managers.

Reclassifications

Certain 2015 balances, as previously reported, have been reclassified to conform with the presentation of the 2016 consolidated financial statements. Specifically, certain occupancy costs previously included as part of program support in the 2015 consolidated statement of activities and supplemental schedule of functional expenses have been reclassified and are now included as part of general and administrative support. The impact of this reclassification had no impact on the change in net assets for the year ended December 31, 2015.

Subsequent Events

The Foundation evaluated its December 31, 2016 consolidated financial statements for subsequent events through September 26, 2017, the date the consolidated financial statements were available to be issued. The Foundation is not aware of any material subsequent events which would require recognition or disclosure in the accompanying financial statements.

3. FAIR VALUE MEASUREMENTS

The Foundation follows guidance which defines fair value as the exchange price that would be received for the sale of an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date.

FOUNDATION FOR A JUST SOCIETY, INC.
Notes to Consolidated Financial Statements
December 31, 2016 and 2015

This guidance utilizes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. This hierarchy requires entities to maximize the use of observable inputs and minimize the use of unobservable inputs. Observable inputs reflect assumptions market participants would use in pricing the respective asset or liability developed from sources independent of the reporting entity; and, unobservable inputs reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the respective asset or liability developed based on the best information available in the circumstances, as of the measurement date.

Assets and liabilities, subject to the standard, measured and reported at fair value are classified and disclosed in one of the following categories:

- Level 1 - Quoted prices are available in active markets for identical assets or liabilities as of the measurement date. A quoted price for an identical asset or liability in an active market provides the most reliable fair value measurement because it is directly observable to the market.
- Level 2 - Pricing inputs other than quoted prices in active markets, which are either directly or indirectly observable as of the measurement date. The nature of these securities include investments for which quoted prices are available but traded less frequently and investments that are fair valued using other securities, the parameters of which can be directly observed.
- Level 3 - Securities that have little to no pricing observability as of the measurement date. These securities are measured using management's best estimate of fair value, where the inputs into the determination of fair value are not observable and require significant management judgment or estimation.

The Foundation did not have any investments which were classified as Level 1, 2 or 3 as of December 31, 2016 and 2015, rather the Foundation uses NAV, or its equivalent, to determine and report the fair value of all of its underlying investments which: (a) do not have a readily determinable fair value; and, (b) prepare their financial statements consistent with the measurement principles of an investment company or have the attributes of an investment company.

As of December 31, 2016 and 2015, all of the Foundation's investments, which total \$250,102,493 and \$166,090,830, respectively, have been reported at fair value based on a reported NAV per share.

FOUNDATION FOR A JUST SOCIETY, INC.
Notes to Consolidated Financial Statements
December 31, 2016 and 2015

The following tables summarize information with respect to the Foundation's investments which are valued and reported at NAV as of December 31, 2016 and 2015:

		2016		
Position	Strategy	NAV in Funds	\$ Amount of Unfunded Commitments	Redemption Terms/Restrictions
Hedge fund	Fund of funds, underlying investments in hedge funds and direct investments	\$ 37,232,136	\$ -	Redemptions are generally permitted on a biannual basis with 65 days' notice
Hedge fund	Feeder fund in a master/feeder structure which invests in other funds, with diversified investment objectives	30,096,935	-	Redemptions are generally permitted on a biannual basis with 95 days' notice

		<u>\$ 166,090,830</u>	<u>\$ 17,814,698</u>	

Amounts reflected as pending investment purchase on the accompanying 2016 consolidated statement of financial position reflect cash disbursed to an investment fund that has not yet been credited to the Foundation's capital account as of December 31, 2016. Such purchase settled subsequent to December 31, 2016. There were no pending investment purchases as of December 31, 2015.

The Foundation submitted redemption requests relative to certain of its investment funds, which remained outstanding, as of December 31, 2016 and 2015. Such amounts have been reflected as investment redemption receivables on the accompanying consolidated statements of financial position and were collected in full subsequent to each respective year-end.

FOUNDATION FOR A JUST SOCIETY, INC.
Notes to Consolidated Financial Statements
December 31, 2016 and 2015

4. FIXED ASSETS, NET

Fixed assets consist of the following at December 31, 2016 and 2015:

	<u>2016</u>	<u>2015</u>
Building and improvements	\$ 30,311,684	\$ 30,165,828
Furniture and fixtures	454,331	418,641
Equipment	<u>167,463</u>	<u>150,045</u>
Total depreciable fixed assets, gross	30,933,478	30,734,514
Less: Accumulated depreciation	<u>(1,330,471)</u>	<u>(443,895)</u>
Net depreciable fixed assets	29,603,007	30,290,619
Land	405,000	405,000
Art	<u>98,861</u>	<u>98,861</u>
Fixed assets, net	<u>\$ 30,106,868</u>	<u>\$ 30,794,480</u>

Depreciation expense for the years ended December 31, 2016 and 2015, totaled \$886,576 and \$442,299, respectively.

The Foundation maintains an art collection which has been acquired through purchases or contribution since its inception and is held for exhibition purposes. Purchased items are capitalized at cost, donated items are capitalized at fair value (generally determined by a professional appraisal) when received. The Foundation's artwork is not depreciated.

5. GRANTS PAYABLE

For the years ended December 31, 2016 and 2015, grant expense amounted to \$21,826,885 and \$15,748,041, respectively. Of the grants approved by the Board of Directors, \$14,678,006 and \$7,646,500, respectively, remained unpaid at December 31, 2016 and 2015, respectively. All grants are expected to be satisfied within one to three years of approval by the Foundation's Board of Directors and grantee notification.

6. RENTAL INCOME

During the year ended 2015, Hannah, LLC entered into 5 year lease agreements with Felicity House, Inc., Foundation for a Just Society, Inc., and MJS Foundation to relocate their respective offices to the 2nd, 3rd, 4th, and 5th floors, of the 25 E 22nd Street Townhouse building (the "Townhouse") on May 1, 2015.

FOUNDATION FOR A JUST SOCIETY, INC.
Notes to Consolidated Financial Statements
December 31, 2016 and 2015

Total future minimum rental payments to be received by Hannah, LLC are as follows:

Year Ending December 31,	<u>Amount</u>
2017	\$ 733,429
2018	748,098
2019	763,060
2020	<u>259,440</u>
Total	<u>\$ 2,504,027</u>

As discussed in Note 1 and further above, Hannah, LLC was established with the principal objective of taking title to the Townhouse. Hannah, LLC has entered into lease agreements renting portions of the Townhouse to the entities named above, including Foundation for a Just Society, Inc. For the years ended December 31, 2016 and 2015, Hannah recognized rental income of \$737,665 and \$491,779, respectively, net of rentals received from Foundation for a Just Society, Inc. For the years ended December 31, 2016 and 2015, rental income of \$292,362 and \$194,905, respectively, was received from Foundation for a Just Society, Inc. and has been eliminated in the accompanying consolidated financial statements.
